

INTERDISCIPLINARY STUDIES (IPBL)

IPBL 1993 Introduction to Diversity Studies

Offered: Fall.

This course introduces the topic of diversity from a local to a global perspective using an interdisciplinary approach. This course encourages self-exploration and prepares the learner to explore and experience diverse environments. Topics include race, class, gender, identity, and ethnicity.

IPBL 4893 Collaborative Solutions

Offered: Spring.

Prerequisite: upper division standing.

This is a problem-solving course in which students from a variety of disciplines will be engaged in a high impact exercise of exploring a contemporary problem and proposing a solution. Each year the contemporary problem to be explored will change. \$45 course fee.

Note: This course is repeatable for duplicate credit if topic varies.
