

ACTS COURSE TRANSFER SYSTEM

Arkansas Course Transfer System (ACTS)

The Arkansas Course Transfer System (ACTS) is designed to assist in planning the academic progress of students from the high school level through the adult workforce. This system contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and equitable treatment in the application of credits for admissions and degree requirements. Students may complete specified General Education courses anywhere in the public system as well as many courses in the degree/major that have been pre-identified for transfer. Course transferability is not guaranteed for courses listed in ACTS as "No Comparable Course." Transferability of courses taken prior to January 1, 2007, is at the discretion of the receiving institution. The Arkansas Transfer System can be accessed at ACTS website (<https://dev-adedata.ade.arkansas.gov/adheoldsite/index/institutions/academic-affairs/arkansas-transference-and-articulation/arkansas-course-transfer-system.html>).

Act 747 of 2011 establishes a statewide common course numbering system for postsecondary courses. The Arkansas Course Transfer System (ACTS) meets this requirement.

The following table lists those courses found within ACTS and the equivalent Arkansas Tech University course as of March 1, 2019. Please refer to the ACTS website (<https://dev-adedata.ade.arkansas.gov/adheoldsite/index/institutions/academic-affairs/arkansas-transference-and-articulation/arkansas-course-transfer-system.html>) for the most up-to-date course listings.
